She has had an avid interest in magic since she was 5 years old, teaching herself and developing her own style when performing. Megan has an appealing nature, which together with her passion for magic, shines through when she is on stage. She has been a regular attendee of the Magic Circle Young Magicians Club for five years. She is always prepared to enter competitions, participate in shows and take on new challenges. She enjoys performing close-up and children's magic, and loves being on stage and amazing people with her magic and dance routines. Megan has scripted and devised spontaneous improvisation and has performed in club shows and on TV. She has won several junior and small scale competitions and came in second in Close Up and won the Junior Day Stage Trophy in 2006.

Mandy Davis, Chairman of the YMC, declared that Megan has taken part in their stage competitions and auditions coming second in the Close Up last year and winning their Stage trophy in 2006. She has performed in public shows and on TV. Her love and study of dance are always incorporated into her stage presentations and her Close Up act is very creative.

Edward Hake, Learning Manager for Drama at the Eltham Hill College told us that she has performed magic shows to whole school assemblies and spent numerous hours working on honing her magician skills after school. Megan has a wonderful personality and is always willing to help out and get involved in all activities. She works well in a variety of groups and can take on a leadership role to support her peers.
